NEWS FROM OUR STUDIO

September/October 2020

Welcome to our new students and parents

Our studio has been very busy in the last few weeks as we worked out how to give everyone's parents the opportunity to come into the studio to attend our **'Open Classes.'**

We have run our **'Open Classes'** over several weeks to keep everyone safe but still enjoy watching the progress of our young dancers.

The students have managed very well but we have noticed how difficult it is for them to remain focused with an audience in back to back classes.

We are also preparing for our **'I Spy'** performance in September which will feature Level 5, Level 6 Level 7, Elementary and Intermediate Levels with Level 4 joining them for our **'The Magic of Dance'** Performance scheduled for the end of November 2020.

- **You will have one week to purchase your tickets before the tickets are released to the general public;**
- **It helps us if you can book in groups due to social distancing.**

IMPORTANT NOTES FOR YOUR INFORMATION

Thank you to everyone who supported 'Swan Lake' which is a beautiful classical ballet with a wonderful story. We began in January finished in September but forever grateful that we were able to perform when so many others could not.

We are working on our production of 'I Spy' for the Level 5, Level 6, Level 7, Elementary and Intermediate students and supported by Duprada Dance Company.

Our annual production of 'Jazz Collectives' gives our young dancers the chance to showcase the different styles of dance they are learning. Classical Ballet is their technical base, an important part of their training and development. As students progress to Level 5 and above they are accomplished enough to add styles of dance to their learning. Jazz, Tap Dancing, Neo Classical and Contemporary styles which require different strengths, much different musicality and co-ordination.

We have prepared this performance with a story-line enhancing their theatre experience, making it more exciting and intriguing.

School Holidays

Our School Holidays begin straight after our performance of 'I Spy'.

We return for Term 4 on Monday 12th October, 2020
